MEMORANDUM FOR: Deputy Director for Administration Deputy Director for Intelligence Deputy Director for Operations Deputy Director for Science and Technology FROM: Executive Director 1. In reviewing the actions assigned to myself and others as a result of the IG Survey on Language, I have decided to diaband as of this date the Language Development Committee and form a task force under Do chairmanship to tackle the issues assigned to the Committee and myself. This will include Recommendations 3, 5a&B, 8, 9, 10, 11, 13, 15A, and 18essentially, the underpinnings of the program. I am now drawing up guidelines for the task force and will share them with you along with my thoughts on who should be in the group. Upon satisfactory completion of the task force effort, we will convene to discuss its proposals and map out the next step. 2. In the interim, you should proceed with your work on the balance of the recommendations in the IG Report. They are necessary adjuncts to the effort, and I see nothing in them which conflict with or are dependent on the task force effort. Assuming that the task force comes up with a realistic set of proposals, I would like to convert its work and your individual action items into a single piece defining a new	Declassified in Part	- Sanitized Copy Approved for	Release 2011/11/15 : CIA-RDI	P88G01332R000	300330006-7
MEMORANDUM FOR: Deputy Director for Administration Deputy Director for Intelligence Deputy Director for Operations Deputy Director for Science and Technology FROM: Executive Director 1. In reviewing the actions assigned to myself and others as a result of the IG Survey on Language, I have decided to disband as of this date the Language Development Committee and form a task force under DO chairmanship to tackle the issues assigned to the Committee and myself. This will include Recommendations 3, SAEB, 8, 9, 10, 11, 13, 15A, and 18—easentially, the underpinnings of the program. I am now drawing up guidelines for the task force and will share them with you along with my thoughts on who should be in the group. Upon satisfactory completion of the task force effort, we will convene to discuss its proposals and map out the next step. 2. In the interim, you should proceed with your work on the balance of the recommendations in the IG Report. They are necessary adjuncts to the effort, and I see nothing in them which conflict with or are dependent on the task force effort. Assuming that the task force comes up with a realistic set of proposals, I would like to convert its work and your individual action items into a single piece defining a new comprehensive language policy and program for the Agency. 3. My sense of the IG Report is that our language program simply isn't working very well. I would summarize the findings this way: we are unsure what our language goals are, management doesn't pay much attention to the problem, we don't assign students to our language competence in our people we should expect. Through all this, OTE works hard to meet all the various individual needs, but doesn't get the language competence in our people we should expect. Through all this, OTE works hard to meet all the various individual needs, but doesn't get the language competence in our people we should expect.
